## THE TIMES REFLECTED

Reflections of a time, when I was young  
Endless dreams under the sun;  
But I awoke one fateful day  
To see those clear skies now are gray

The world it seems is crumbling down;  
I see ugly scenes in every town;  
What is right? What is wrong?  
How can I know? Where do I go?

They say there is happiness in a song,  
for if it is, I'll sing to you;  
And the decision about this song  
then will lie within you all.

My song will tell of many things;  
hate, riots, air pollution,  
destruction, war, and strife!  
But, only remeger it's a song of life.

The song reflects a war in southeast Asia  
Where two must fight G.I. and Charlie.  
Is this war for an unknown cause  
Or for freedom, but not for all?

Reflecting disease and starvation  
Rampant in thousand nations—  
Hundreds dying in the street  
While fat poodles feast on meat.

Reflections of a place where none can  
Love all of his brothers  
Because of his features or his color  
And there, even hate between the children.

**Discrimination, interrogation,  
population running wild  
Corruption in every place you look  
Going up! Crashing down!  
Is there any peace around!**

They scream corruption, decadence of youth  
Fine things to say about Mother's baby  
Put me down! Push me around!  
Your world is not for me!

**I put this question to the youth,  
What will we do about this earth?  
Will it die or survive?  
The answer is in you.**

**I am reflecting on a blessed land  
Where love, peace, and brotherhood united stand;  
Take my hand, I beg you all,  
Help me find it before we fall.**

## DEDICATION

The 1970 volume of THE CHOWANOKA is dedicated to one whom we the staff feel is more than deserving. He has served well in his capacities as an instructor as well as a coach. He is an active and respected citizen of Murfreesboro and the Chowan campus. It is indeed with great pride that the 1970 edition of THE CHOWANOKA is dedicated to Mr. Jerry Hawkins.

## Homecoming 1969-70

The events of the 1969 Homecoming started on Friday with a dance starring Billy Stewart and his Band. Planned for the following day was the Homecoming parade downtown. The floats were made by the dorms and clubs. For the afternoon the Chowan-Montgomery Jr. College game. Fans came with umbrellas-in-hand to watch Chowan conquer Montgomery. Entertainment for the evening was a semi-formal dance. When the band did not show up, a combo from the college offered to play.

## Students participate in March of Dimes Campaign

The major riot held on the Chowan campus was neither a race, war, nor student dissatisfaction riot, but one for charity.

Two Chowan professors, Mr. William Sowell and Mr. Charles Helms were the co-chairmen of the March of Dimes campaign in Hertford County. It was their idea to have a student march and gathering to raise funds for this worthy cause.

The activities began with the kidnapping of Dr. Bruce E. Whitaker, President of the College. Dr. Whitaker's ransom was \$75. This ransom was to be paid by students, faculty and staff of the college. In the afternoon students staged a march on campus. They carried signs which bore slogans in support of the campaign. After the march, students met on the football field for a car bash and pie throwing contest. The car bash was a success in that it provided a tension release as well as raising funds for the campaign. The wrecked cars were decorated with the names of "favorite" faculty members. Each bash cost 10 cents. The pie throw contest was fun as well as profitable. The targets of the messy cream pies were Billy Graham, campus security officer and Roy Whitley, assistant cafeteria manager. Each pie thrown netted 25 cents for the fund. The evenings events were topped with a dance in the gym featuring the Huckleberry Mudflat combo.

The total contributions from Chowan College to the March of Dimes campaign was \$200. This was one riot that proved profitable in all respects.

## Graduates in Nursing

The Chowan College nursing program is unique in that it combines a complete liberal arts background, plus courses in nursing in the same program. This program leads to an Associate in Arts degree as well as a Diploma.

The students begin their thirty three month program at Chowan College. They take regular college courses and begin their nursing experience at nearby Roanoke Chowan Hospital. After four semesters plus one summer session at Chowan, they then go to Duke Hospital in Durham, N.C. to complete their nursing experience. Here they remain for twelve months under the supervision of Chowan College faculty members stationed at Duke. When they have satisfactorily completed the programs requirements, they are awarded the A.A., degree from Chowan, and are eligible to take the State Board of Nursing examination. This program is completely under the direction of Chowan College, and is administered by The Chairmen of the Department of Nursing Mrs. Almira Ockerman, R.N., B.S., and M.S.

### The Braves Have A Winning Season

Chowan's football season got off to a rousing start this year with a victory over Gardner-Webb College. Contrary to popular belief, the Braves were a good match for this four-year school, and this was proven when the Braves moved up from a losing score to win the ball game in the last nine seconds of play. The final score? A beautiful 16-14 tally for Chowan. Next on Chowan's list was strong Baltimore Junior College. Chowan tied this fine team by 14-14.

With a tie and a win under their belt, Chowan's Braves traveled to Keyser, West Virginia to test their skill against Potomac State College. After a superb ball game, the Braves brought home the bacon with a victory of 29-12.

After having had a game forfeited to them by Croft Junior College, the Braves traveled to Ferrum Junior College looking for a win. The Braves played a trying ball game, and returned home with their first loss behind them. The game had ended by a score of 24-6 against Chowan.

Starting with the Ferrum game Chowan seemed to go into a short losing streak. Both Lees McRae College and the East Carolina Freshman team took advantage of Chowan during this time, as Lees McRae won by eight points with an end result of 21-13, and E.C.U. Frosh. won with a tally of 33-27.

With only three games left in the season, the Braves went ahead to make a good football season for Chowan. Montgomery Junior College was the next school to be brought down by the Braves, and they were crushed by a terrific score of 20-6. In the next ball game scheduled for Chowan, Wesley Junior College did not have such an easy team to beat. After pulling ahead in the first half of the game, Wesley won over the Braves by a 41-14 tally.

The season ended on a happy note for the Chowan Braves when they played the Davidson College Freshman team. Davidson played a good ball game, but could not match the Braves. Chowan won with a 7-6 final score. Overall, the Braves had a good football season.

# Chowan Encounters Disappointing Season

Chowan's season in basketball was not all it was hoped to be this year. Even though the team played hard, some unfortunate turns of fate changed close games into heartbreaking defeats.

The members of the Chowan College Basketball team are, from left to right, front row: Karl W. Yankey, Steve Flack, Jim Thomas, Bert Brown, Tom Ashley, Larry Howard, Paul Battaglia, Earl Arrington; second row: Kenneth M. Byrd, Burrus T. Chappell, Todd C. McConnell, Nathan Sosebee, Clifton L. Faison, Leon Marrow, Coach William McCraw, and Mike Bennett.

### BASKETBALL REFLECTIONS

Chowan had a disappointing year in regard to basketball, but we hope to make a come back for a season to remember in 1970-71.

One of the main reasons Chowan's team was not as good as was expected is that three of the five starters of the team were dropped during or before the season. Harry "Flip" Flipping, the leading rebounder of this region was dropped before the season began, and so was Jack Ross. Jack was our top freshman prospect. We also suffered the loss of Mike Bennett from our team during the season.

The loss of these three of our best players was the thing that hurt our season the most. Had it not have been for this loss Chowan's Braves would have been an absolute top notch basketball team.

One of the players who showed the most improvement throughout the season was Clifton Faison, one of our freshmen. Chowan hopes to have him on the squad next year.

has been Tod McConnell. With much improvement in his game, Tod has added a lot to the performance of Chowan's basketball team. He has been one of the leading scorers and rebounders through the whole season.

The only drawbacks the Brave's squad had this season were slowness in the backcourt and shortness in front court. This is another combination against the Braves. There were no starters taller than six feet four inches. This may have cost the Braves the extra few points needed to win some of the home games, as three games were lost only by one or two points.

Bigger boys are being recruited for next year, as are some new guards, so Chowan should be one of the top teams in the region in 1970-71.

## CHEERLEADER REFLECTIONS

A fine squad of pretty cheerleaders graced Chowan's athletic events this year. They led the Braves on to some exciting victories, and kept a strong heart after Chowan's defeats. The cheerleaders worked with diligence and skill, and put forth great effort for Chowan's athletic organizations.

The squad began the year with nine girls, and finished the year with five. They were Becky Hamby, Head Cheerleader from Yorktown, Va; Jill Wagoner, McLean, Va; Debby Pickett, Richmond Va; Judi Morrisette, Virginia Beach, Va; and Judy Thomas from Lawrenceville, Va.

After a year of service to Chowan the girls had these words to say: "We would like to thank the whole student body for their support throughout the year."

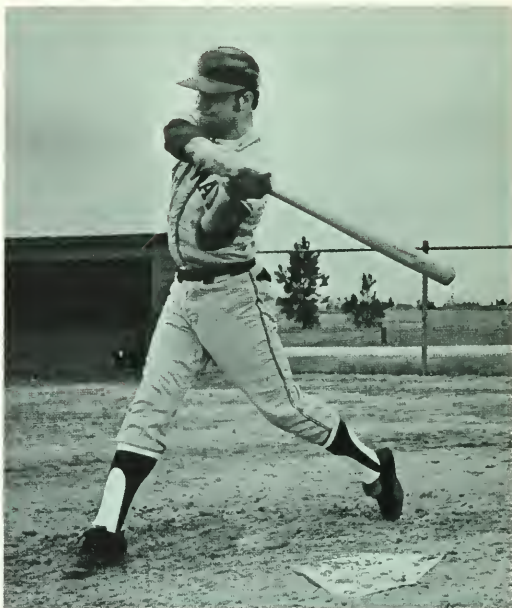

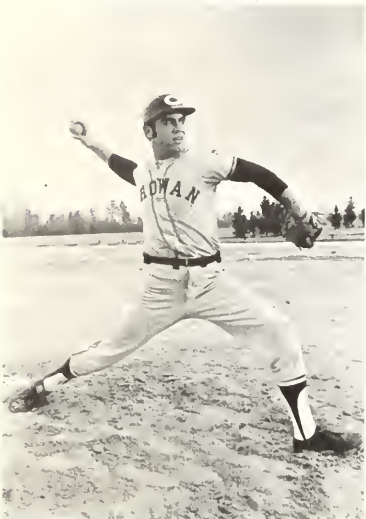

# CHEERLEADER REFLECTIONS

First row: Pete Carpenter, third and outfielder; James Parker, catcher; Steve Driscoll, second baseman; Leroy Beamon, outfielder; Second row: Louis Hildreth, pitcher; Doug (Gus) Roberson, first baseman; Fred Mclean, shortstop; Don James, shortstop; Thomas Graham, pitcher; and backing up the team is Coach Hawkins.

Pitching over home plate is letterman Louis Hildreth.

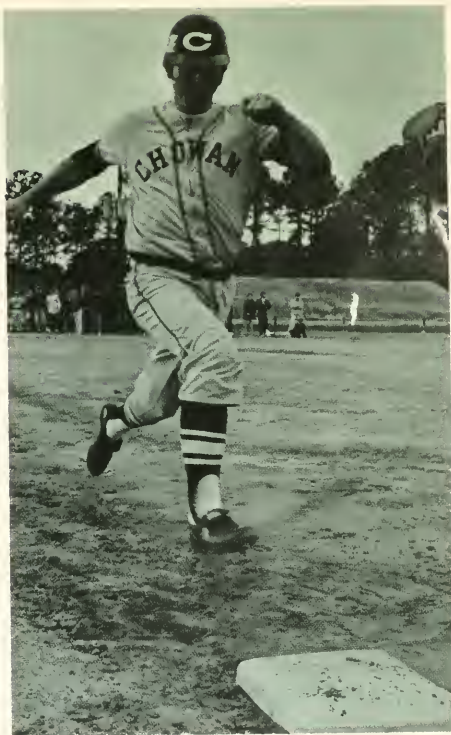

# BASEBALL

## BASEBALL REFLECTIONS

The Chowan baseball team had ten returning members this season, nine of whom were lettermen. Three of these returning members pitched for the team, two played first and second base, two were outfielders, one a short-stop and one a catcher. All of these men together helped to make the baseball team one of Chowan's best.

The Brave's baseball team this season was, according to Coach Hawkins, "a well balanced ball club. We were a little stronger and a better team than we were last year."

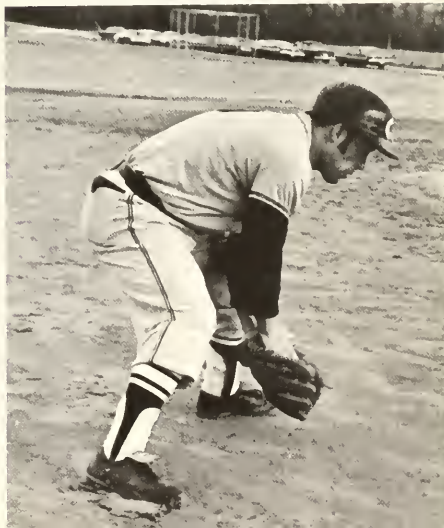

The team had several promising new players, including four pitchers, one catcher, and two outfielders. With such great prospects, how could Chowan's team have had anything but a great baseball team?

The members of the Chowan College golf team are, from left to right: David Sobrito, sophomore of Richmond, Va.; Leon Marrow, freshman of Henderson, N. C.; Hilton Phillips, a sophomore of Exmore, Va.; Gilbert E. Woodard, sophomore of Conway, N. C.; John Perkins, sophomore of Norfolk, Va.; George Fisher, freshman of Norfolk, Va.; Chip Sullivan, freshman of Camp Lejeune, N. C.; Jimmy Hillard, sophomore of Farmville, N. C.; and Grant Parker, freshman of Portsmouth, Va.

## GOLF

David Sobrito lines up the putt with John Perkins aiding.

John Perkins demonstrates his putting ability.

Nine men went out for golf this year, four of whom were veterans at the sport returning from last year. Since that 1969 golf team placed ninth in the nation, high proficiency was indeed the goal of this year's golf stars.

Since Chowan's golf teams in the last three years have been on top most of the time, no great change was expected in quality of performance this season. One of the top prospects that helped the team to gain high standards for 1970 was George Fisher, a past Virginia high school golf champion. With these fine evidences of ability at the beginning of the season Jim Garrison, the golf coach, stated his prediction in this way: "Our team looks good for another strong year in golf. We hope to find our way to the national tournament. Our team this year is just as fine and maybe better than last year's."

Such were the hopes of all for this year's golf team.

Chip Sullivan follows thru after teeing off while others look on.

The members of the Chowan College Tennis team are, from left to right; Bridger L. Hodsden, Ronald E. Adams (driving), Paul F. Silver, Jack D. Hallett Jr., Gerald W. Burgess, Carter W. Jones, James E. Morton, Hugh E. Knickerbocker Jr., John T. McCloud, and below is Lonnie J. Rightmier.

Lonnie Rightmier follows through for a good return.

## TENNIS

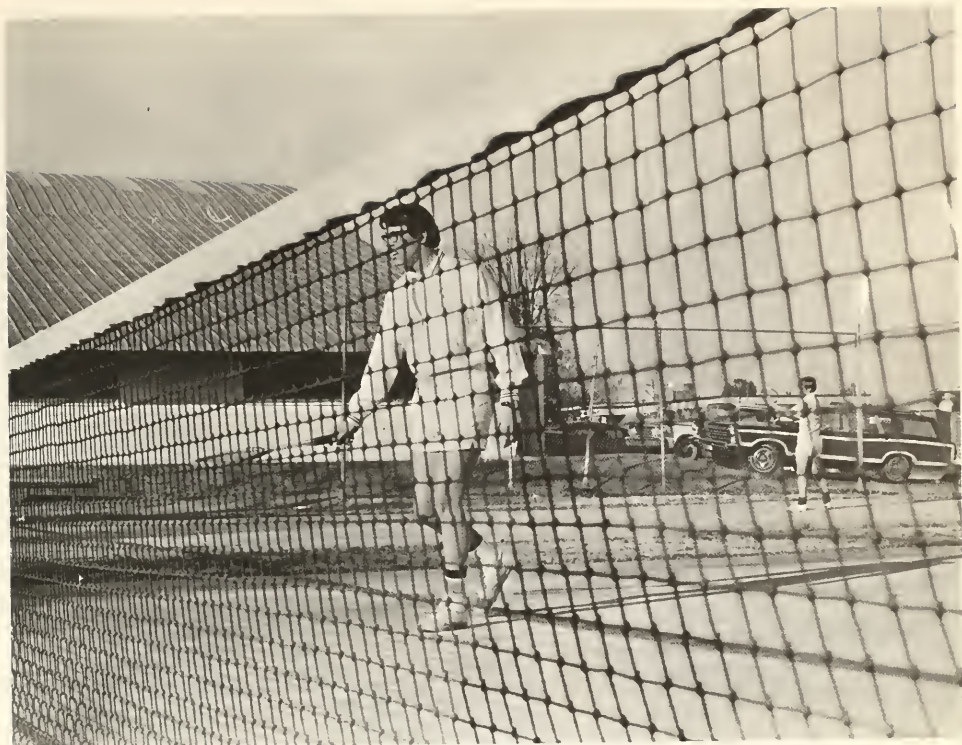

Tennis started out well for Chowan this year with a top team. All the tennis players were quite experienced at the sport when the semester began, and the experience our men possessed proved itself in some exciting matches.

Chowan tied Ferrum Jr. College last year for the regional championship, and looked forward to putting that team out of competition this year.

There was a twelve-match schedule this year for Chowan. Among the adversaries were Christopher Newport College, Virginian Wesley College, Louisburg College, Ferrum Jr. College, Mt. Olive College, and Lenoir College.

One of the top prospects at the beginning of the season was freshman Jim Morton. Another fine player was returning sophomore Tom Garner. These two players performed well against the other schools, both being able to play singles or doubles.

Chowan was able to have more tennis players this season, practicing even at night. This was made possible by the new lighted courts built at the beginning of the year. The team could practice only during the day in previous years because of lack of lights for night play.

Chowan College recognizes the educational value of student co-operation and leadership. The administration and faculty delegate to the student leadership groups the supervision and control of certain affairs. This is done to the degree that the students are able and willing to assume the responsibility involved. Students are encouraged to accept responsibility for the improvement of conduct in the dormitories, cafeteria, student union building, and in other areas of vital interest to them. This is implemented on a democratic basis by a Men's Council and a Women's Judiciary. Students elected to membership in these organizations jointly constitute the all-campus Student Senate, which is headed by the president and other student body officials. Faculty members selected by the administration serve as advisers for these groups.

The majorette squad of Chowan College is one of three pep squads sponsored by the Women's Recreation Association. Through the guidance and leadership of Mrs. Janet Collins and their advisor, Mrs. Vickie Griffin, the majorettes were able to perform quite diligently during the fall of the school year.

Homecoming was a spectacular performance. At this time the majorettes led the band in the annual parade. During pre-game the squad did a striking dance and twirling routine. During the remainder of the semester the girls participated in the Ahoskie and Murfreesboro Christmas parades.

One of the greatest contributions of the Majorettes was their assistance with the marathon for the Murfreesboro Rescue Squad. At this time the Majorettes devoted their entire Sunday collecting funds for this cause. Appreciation for this was displayed by the College, the Rescue Squad, and the town.

# CHOWAN COLLEGE SURFING ASSOCIATION

The Chowan College Surfing Association was formed in the Spring Semester. The purpose of the club is to promote an interest in surfing on the campus. Several activities planned by the club included various movies. The best example being "Free and Easy" which was quite a success among the students. Also planned were weekend surfing trips to Cape Hatteras. During the Spring Holiday, the club participated in an intercollegiate surfing meet with other East Coast colleges. The club was sponsored by Miss Claudia M. Storminger and Mr. Wellesley T. Corbett, Jr. It had a membership of some twenty students both male and female.

# MONOGRAM

# CLUB

The Monogram Club is made up of young men who have achieved a letter in one of the following sports: football, basketball, baseball, track, cross country, tennis or golf. Membership in the club is voluntary.

The club is very active on the campus and helps with such projects as parking cars for athletic events, soliciting for blood donors, sponsoring "turkey shoots" and presenting talent contests.

The club awards each member a letter jacket for his service on the field and in the club.

Circle K International is a service organization for college men which develops future leaders and citizens whose philosophy is founded on freedom, initiative, the American and Canadian heritage, and unselfish service to others.

Chowan Circle K has been active both on campus and in the community. It was the club's duty to park cars at various college activities, sell drinks at various school functions, and help the faculty and staff in the registration of students for the semester. Circle K also helped various campaigns in the area, such as the Bloodmobile program, and the fight against emphysema, tuberculosis, and air pollution. Chowan Circle K has only one main goal in mind: service to others.

Chowan Circle K was one of the most active service clubs in Chowan's history.

Raising the flag is only one of the Circle K Club's civic and community activities.

# MINISTERIAL ALLIANCE

Phillip Frazier, Jeff Ewell, Roger Cope, President, Ernie Mizelle.

The campus Ministerial Alliance is composed of those students who have chosen the Christian ministry as a profession. The Alliance seeks to acquaint students with some of the aspects of their future professional life through special programs and conferences on the role of the minister, and by affording occasional opportunities for conducting worship services in local churches or institutions.

# BAPTIST STUDENT UNION

The Baptist Student Union seeks to be the kind of loosely-organized community through which the college student may nurture his own faith, through which he may be of service to others, and in which he may be challenged to expand his own vision of the Christian life. Meetings are held weekly for purposes of meditation, discussion, and instruction.

The local campus group maintains a close relationship with the North Carolina Baptist Student Union and with the total ministry of the Student Department, Baptist State Convention of North Carolina. While carrying the title "Baptist", the organization welcomes the participation of students of all Christian denominations.

The Spanish Club is composed of approximately fifty interested members who have had at least one year of college Spanish or its equivalent. The club provides an opportunity for students to use their knowledge of Spanish in real life situations outside the classroom. Each year the club presents an assembly of songs and music in Spanish. This year the club brought foreign exchange students from South America to the Chowan campus. The club is sponsored by Professor Morris Carson.

# CLUB

The Spanish Christmas Program.

Officers of the Spanish Club were Gay Lafoon, Social Co-Chairman; Mr. Carson, Sponsor; Rick Clary, Social Co-Chairman; Carol Gunter, President; Randy Whittemore, Vice-President; Ann Zepp, Secretary; Steve Davis, Treasurer; John Williams, Reporter; Pat Clifton, Chaplain.

The activities of the Spanish Club began in September with "La Comida Mexicano," attended by the officers. The fiesta was held in the home of the club's sponsor, Mr. Carson. In October, Miss Page Langstrom, and American exchange student to Latin America, presented a program about her summer in Latin America. During the Christmas season, the club was responsible for the Spanish Christmas program given in assembly.

Chowan College is one of nine colleges in North Carolina that has a chapter of Delta Psi Omega, a national, dramatic, honorary fraternity.

Only students who have worked in dramatics and who have promoted college theatre are eligible. 1970 marks the first year they have sponsored a Dramatic Scholarship, open to incoming freshmen, and based on their audition scores.

# CHOWAN COLLEGE PLAYERS

The Chowan Players is an organization open to any student interested in drama. Participation in this group offers different and exciting work; creating a role, painting scenery, making costumes, applying make-up, or installing lights.

In November a group of three one-act plays was given — "Spoon River Anthology", "The Brute", and "The Nifty Shop". In March a Shakespeare comedy, "The Taming of the Shrew" was presented. From April 13-17, a select group was taken to 14 elementary schools. Thousands of children saw "live theatre" and enjoyed the Chowan Players' interpretation of "The Red Shoes."

# CHOIR

The Choir is made of those that are particularly interested in music and ones who enjoy singing. The main purpose of the organization is to give students a chance to use their singing talent to serve the college and the students.

# TOURING CHOIR

# SMOKE SIGNALS

Anne Handel, Larry N. Matthews, Business Manager; Barry Brown, Julie Hoskins, Marianne Pugh, Drina Huling. Seated is Pauline Robinson, Editor.

The "Smoke Signals" is the student newspaper of Chowan College. Its purpose is to serve as the voice of the campus and inform its readers of events taking place relevant to student interest. Published bi-monthly, it is edited by Pauline Robinson. Julie Hoskins serves as the associate editor and Larry Matthews as the business manager.

# CHOWANOKA STAFF

Section editors of the yearbook were, Libby House, Shannon Humphreys, Steve Bates, Barbara Watson, Billie Davis. Standing: Jackie Covington, Dennis Pittman, Karen Nix, Elaine Ellen. Not pictured — Gary Whitley.

Discussing the next deadline is Carol Gunter, Editor and Phil Ferguson, Production Editor.

The yearbook staff is composed of students interested in journalism, printing, and photography. The yearbook is a permanent record of the college year. By working on the yearbook, students are able to understand how to express themselves through a literary device. "The Chowanoka" also serves as a learning experience for students interested in printing technology. All printing is done on campus by students of Graphic Arts.

The entire book is designed and edited by the student staff. The staff numbered fifteen students who worked in various capacities according to interest. Carol Gunter served as editor. Phillip Ferguson, Production Editor was in charge of all printing processes. The associate editor was Nelson Jeffrey. Faculty advisors were Mr. Charles Stevens, Mr. Herman Gatewood, and Mr. William B. Sowell.

## A Tribute to Graphic Arts

The School of Graphic Arts is responsible for all printing processes incorporated in the 1970 volume of THE CHOWANOKA. All special effects seen in the book is due to the knowledge and techniques employed by the instructors and students.

Special recognition is awarded to those students who worked many long hours to insure that this volume of THE CHOWANOKA would be an outstanding example of fine workmanship.

To the School of Graphic Arts is offered a sincere thank you for its help and cooperation.

## From the Editor . . .

As I write this letter, countless memories crowd my mind. I undoubtedly will not be able to recall everything that has occurred, but only the most outstanding. However let me say that as Editor of THE CHOWANOKA, I have experienced something that everyone should once in their life experience. I witnessed the emergence of a beautiful book from nothing. In this book are the thoughts and ideas of many people.

This 1970 volume of THE CHOWANOKA is a fusion of two concepts, the new and the traditional. As you turn the pages of this book, I hope that you can see and understand it, as it is meant.

There were times when I repeated "Do it over--it must be perfect." To my staff considered me a witch as I expressed my sincere appreciation for their time and effort. and photographers, I express my sincere gratitude to Phillip Ferguson, Production Editor, who is responsible for the printing techniques observed in the book.

To my advisors Mr. Bill Sowell, Mr. Charles Stevens, and Mr. Herman Gatewood, I thank for all the time they spent working with me. To them I thank also, for giving me moral support which I sometimes needed.

To you, my fellow students, I offer this volume of THE CHOWANOKA. I hope the moments in time it has captured will be with you forever.

Sincerely,

*Carol Gunter*
